Matches employee's skills to job openings

Employers and Workforce Center staff use the system to search for qualified individuals

WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)

Designed to strengthen and improve our workforce system and help individuals, including youth and those with barriers to employment, enter into high quality jobs.

WIOA is a federally funded, state mandated program administered by the Department of Workforce Services.

Services provided through WIOA are individualized based on participant needs, but could include:

- Assessments of skills, aptitudes, abilities, interests, and service needs
- ✓ Development of an individual employment plan or service strategies
- Creation and implementation of a plan to achieve goals
- ✓ Career Counseling and guidance
- ✓ Support Services, when there is a need
- ✓ Training in high-demand, high growth occupations that lead to selfsustainable wages (Occupational Skills training, on-the-job training)
